Sample Testing Form

Page 1 - 1

25. März 2024
V1.1

We are happy to treat your samples with care. Please fill out this form by computer – send it in paper form with sample(s) and by e-mail to tfam@basf-3dps.com. Samples should be clearly marked, you can use our provided "Sample Testing Label" on our website. Samples should also be clearly labeled in accordance with regulatory requirements, a safety data sheet is required for test items that present safety concerns or if previously discussed.
